Seating is limited

Earn 6 CEUs

- Home inspection professionals
- Building officials,
- Emergency management professionals

The training will instruct attendees in the use of the Simplified Seismic Assessment Form. The form is used in the evaluation of a house for seismic vulnerabilities and provides homeowners with a Seismic Performance Grade that identifies areas of the house in need of retrofit.

All trainings are 9:00 a.m.—3:30 p.m.

Registration/Check in at 8:30 a.m. Lunch provided.
